"Building for All Our Futures"

**ATTENDANCE AND PUNCTUALITY
POLICY**

Updated Spring 2017

Introduction

This policy has been developed in conjunction with DfE and Local Authority Guidance and adopted by the Rawmarsh Sandhill Primary School.

Reference to Parent/Carer throughout this document also includes any person who has parental responsibility or who cares for children.

Rawmarsh Sandhill Primary School will work effectively to improve attendance working with various partners, parent/carers and pupils. Parents/carers play an important role in supporting the school and encouraging pupils to achieve good attendance levels.

School understands that non-school attendance is a safeguarding issue. Only when a pupil is in school can a true responsibility be taken for safeguarding all the interests of the pupil.

There is a clear link between good attendance and educational achievement. Rawmarsh Sandhill Primary School is committed to maximising the achievement of all pupils. This policy intends to boost attainment and achievement levels by increasing and maintaining high levels of attendance.

Regular and punctual attendance is vital if pupils are to benefit full from academic, personal and social opportunities, which are offered to them within the school. A broad and balanced education is dependent on regular attendance at school.

The school will take appropriate action to promote good attendance.

Statement of Expectations

What the school expects of the pupils:

- ❖ To attend regularly.
- ❖ To arrive on time and appropriately prepared for the day.
- ❖ To report to reception/attendance office when late.

What the school expects of the parents/carers:

- ❖ To fulfil their responsibility by ensuring their children attend school regularly and on time.
- ❖ To ensure that they contact school on the first day their child is unable to attend giving a valid reason for absence and also each day the child is absent from school.
- ❖ To ensure their child arrives on time and is well prepared for the school day.
- ❖ To contact the school in confidence whenever any problem occurs that may keep their child away from school.
- ❖ Work in partnership with school and other agencies as and when appropriate to resolve issues relating to non attendance/punctuality.
- ❖ To inform school of any forthcoming appointments, giving copies of letters and appointment cards to school and where possible, arrange appointments outside of the school day.
 - Where appointments are booked for after registration time pupils must attend school first.
 - The pupil needs to return to school as soon as possible after the appointment, where this is possible

If a pupil leaves the school premises for any reason during the school day, staff will ensure that this is recorded, to comply with Health & Safety Regulations.

What Parents and pupils can expect of the school:

- ❖ A broad and balanced education that is dependent on regular attendance at school.
- ❖ The encouragement and promotion of good attendance with a rewards system in place.
- ❖ Efficient and accurate recordings of attendances and punctuality with strategies to improve.
- ❖ First day contact with parents when a pupil fails to attend school and also subsequent days.
- ❖ Any barriers to attendance, dealt with efficiently.
- ❖ To respond promptly to any issue that may lead to none or irregular attendance with support from the learning mentor.

- ❖ Be sensitive to the needs of the individual parent/carer. This will be reflected in the ways in which attendance issues are addressed. For example, school should recognise that some parent/carers have difficulty understanding written communications, (school will also recognise the reluctance of some parent/carers to come into the school).
- ❖ Be alert to critical times for example, return to school after a period of long term sickness or traumatic event.
- ❖ An attendance policy which is consistently applied and clearly communicated to all parent/carers.
- ❖ The encouragement and promotion of good attendance. Information is on display in school
- ❖ Close liaison with the Education Welfare Service Team to assist and support families where needed.
- ❖ Notification to parents/carers of attendance through letters home and meetings in school.
- ❖ When a pupil's attendance falls below 96% in a half term, parents will be sent a letter advising that their child's attendance is of concern and support will be offered to improve attendance.

It will also state that failure to attend school regularly and on time could result in prosecution under section 444 of the Education Act. If there is no improvement parents/carers will be required to meet with the school's Attendance Panel.

What the school can expect of the Education Welfare Service:

- ❖ The Education Welfare service has a key function in working closely with school and families in order to promote excellent levels attendance and punctuality at school, there by contributing to raising pupil attainment.
- ❖ To support school to fulfil legal responsibilities with regard to pupil attendance.
- ❖ To undertake register inspections during fortnightly meetings in school, and discuss matters with Learning Mentor and Head Teacher.

Leave of Absence Requests

Section 7 of the Education Act states that:

“Regular and punctual attendance of pupils at school is both a legal requirement and essential in order for pupils to maximise the educational opportunities available to them. Rotherham Education Welfare Service will continue to investigate cases of regular absence from school and, following appropriate casework intervention, will instigate legal action if applicable”.

In line with amendments to the Education (Pupil Registration) Regulations 2006 with effect from 01 September 2013, the following will now apply:

- **No requests for leave of absence for the purpose of a family holiday during term time can be authorised, except in exceptional circumstances.**

The definition of exceptional circumstances is:

- Where it is company/organisational policy for an employee to take leave at a specific time in the year. **This must be evidenced with written proof from the employer at the time of application.**
- Service personnel returning from/scheduled to embark upon a tour of duty abroad.
- Where a holiday is recommended as part of a child or parent's rehabilitation from a medical or emotional issue. **Evidence must be produced from a doctor or professional body.**

If a parent/carer takes their child out of school during term time without authorisation, the Head Teacher will have to make a request to the Local Authority to issue a **Fixed Penalty Notice**.

If a Fixed Penalty Notice is issued, the penalty is £60 per child per parent/carer when the payment is made within 21 days. After that time it will increase to £120. Failure to pay within 28 days will result in a summons to appear before the Magistrates Court on the grounds that the parent/carer has failed to secure their child's regular attendance at school. Please note that a separate Fixed Penalty Notice will be issued to each parent for each child and all monies are payable to the Local Authority.

Should a request for Leave of Absence need to be made, a Leave of Absence form must be completed and brought in for the Head Teacher's attention, including any evidence as stated above.

Understanding Different Types of Absence

Only the school can authorise absence, not parents/carers. This is why information about the cause of any absence is always required to ensure a pupil's attendance is correctly categorised.

Authorised Absences = Mornings or afternoons away from school for an acceptable reason, for example, illness and/or medical/dental appointments which unavoidably fall in the school day, emergencies or other unavoidable reasons and compassionate leave at the Head Teacher's discretion.

Unauthorised Absences = Absences which school does not consider to be reasonable and for which no "leave" has been given. This type of absence can lead to the Local Authority using sanctions and/or legal proceedings. These include:

- Parents keeping children away from school unnecessarily
- Truancy before or during the school day
- Absence that has never been properly explained
- Pupils who arrive in school too late to receive their mark
- Shopping, looking after other children or birthdays
- Leave of absence for the purpose of a holiday in term time that have not been agreed with the Head Teacher.

Whilst most pupils will be away from school because of illness, some individuals can be reluctant to attend. Any such problems with regular attendance are best resolved between the school and the family.

If a parent thinks their child is reluctant to attend school, then we encourage the family to work with all involved to understand the root problem. When necessary we engage the support of other agencies such as the School Nurse and Education Welfare Service.

- Each day counts for 2 (am/pm) marks of attendance or absence.
