Kilnhurst Road, Rotherham, S62 5LH

24<sup>th</sup> May 2019

Dear Parents,

Over the half term holiday, construction work will be starting on the school site to build two new classrooms next to the current Year 1 and Foundation Stage building. The work is expected to last until the end of September.

Inevitably, this will cause some disruption to the school site, however we are working hard with the contractors to keep this to a minimum. In the first instance, the builders will require access through the main entrance, which means that access for children and parents into school from Kilnhurst Road will be via the green gate only.

Secure high fencing will be erected around the construction area to fully safeguard our children and ensure that it is self-contained. Due to the amount of space needed for construction vehicles to enter the site, the area around the Pod will also need to be fenced off leaving the Pod inaccessible, possibly for the duration of the build. Breakfast club will therefore take place in the school hall

Any deliveries of building material will be scheduled to arrive outside of school drop off and pick up times to avoid further traffic congestion outside school. Weekend working will also be taking place so please don't be alarmed if you see people on site at this time.

I apologise in advance for any inconvenience that may be caused by the building work but I am sure that it will be worth it in the end.

Wishing you a wonderful half term.

Mrs Ainsworth
