Dear Parents,

It's been another busy year! Looking back over the last twelve months, there have been many exciting things that have happened this year. The children have had the opportunity to go on many visits including Eureka, Wentworth Farm,

As a school, we have taken part in numerous sporting events with some great success and as a result, we have now been awarded the Gold Standard schools games award. We fully intend to build on this success next year.

The children are now benefitting from a new approach to Literacy (Success for All) and the children are enjoying the range of quality literature in their English lessons. Ask your children about the books that they have enjoyed the most.

The actual school building is undergoing a transformation this year too. The new extension for KS1 is coming along nicely and we are really excited about the classrooms being completed over the summer and into the new school year. The school kitchen is also having a complete refit over the school holidays, something that Mrs Watts, our cook will be thrilled about!

We would like to take this opportunity to wish Mr Nicholson and Mrs Gillott well on their new ventures after the summer. Mr Nicholson will be joining the governing body from September.

I would like to thank parents and carers for their fantastic fund raising efforts for our school sponsored walk. Up to today, we have raised a fantastic £966.75. This is a phenomenal amount and will really make a difference to the school project in The Gambia. We will bring you further news of this in September.
