

### **Free Write Task - Superman's dilemma!**

What is a dilemma? What is the dilemma that Superman faces?

**If Superman sees someone in danger, but feels exhausted and decides to go home instead, do you think he would feel guilty?**

**If you are in the playground and you see somebody being bullied, should you do something to help? If you don't do anything to help, have you made a bad decision? Should you feel guilty?**

Choose a free write task to accompany the picture. You could:
