

'Free write'

This is a photo of the steelmen statue at Meadowhall. This is the statue from the story 'Meet me by the Steelmen' by Theresa Tomlinson we have been reading.

On a trip to Meadowhall in the story Jenny goes back in time to visit the steelmen from the statue, working at Hadfield's Steelworks which previously stood on the site where Meadowhall was built.

Unfortunately we haven't had chance to finish reading the story. Could you write the ending for us?

What would it be like working in the steelworks?

What happened when Jenny met the steelmen? How did she get back to modern day?

Or choose your own free write task. Maybe you could:

Write a story about a statue that suddenly came alive.

Create and describe a statue of your own.

Make a comic strip about a statue that came alive.

Find out about what it was like to work in the steel works in the past.

Or think of your own task linked to the photo.

Remember to share your work on portfolio we love seeing it
