

RAWMARSH SANDHILL SEND SPRING 1

ROUND UP

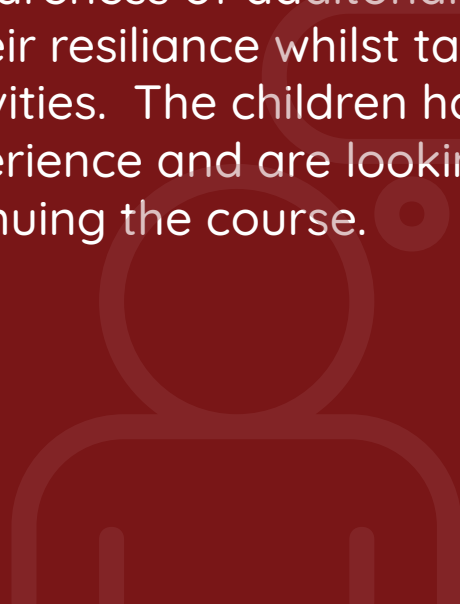

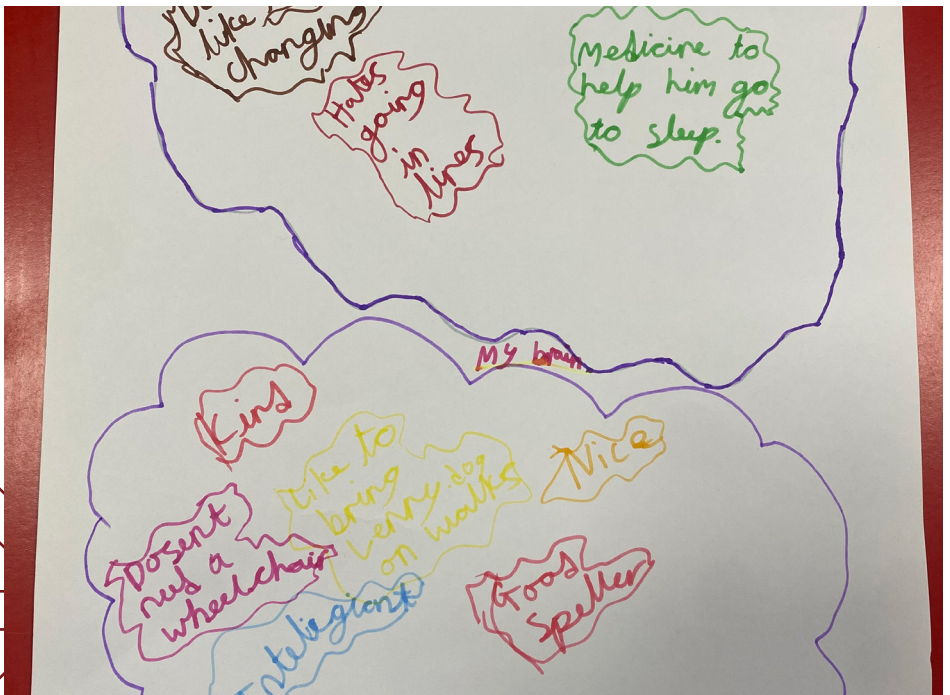

WHAT'S BEEN HAPPENING?

This term we have welcomed Marie Butcher from Rotherham Parent Carers Forum to host a six week course offering support to our students who have siblings with disabilities or SEND.

The children taking part have been having fun with their peers, who have similar experiences to them, allowing them to share their worries, increase their awareness of additional needs and build their resilience whilst taking part in fun activities. The children have enjoyed the experience and are looking forward to continuing the course.

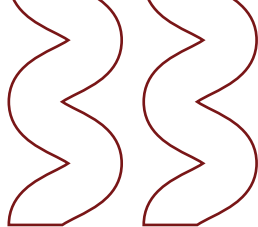

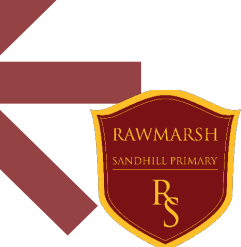

NEW TEACHING ASSISTANTS

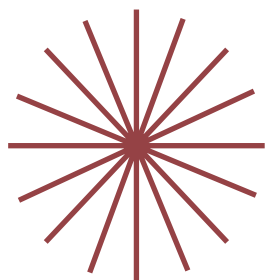

This term you will notice that we have three Teaching Assistants joining the team at Rawmarsh Sandhill.

Mrs Sahota, Miss Woodhall and Mrs Woodhall have a whole host of experience to bring to the school making them excellent additions to the team.
